New Committees!!

- In the spirit of growth for the club, we're exploring opening up 2 new committees that will allow our board to make more informed decisions based on membership feedback
- Membership Committee, chaired by the Secretary (JJ)
- Treasury Committee, chaired by the Treasurer (Trevor)
- Currently gauging interest but we want participation so important club decisions are not placed solely on the board
- Please speak to JJ or Trevor if interested

Membership Committee

- Help review and define the terms of membership and what types of membership we have. Propose changes as needed.
- Review and verify membership exemptions per the bylaws and make sure we are in compliance to current bylaws.
- review and verify membership exemptions per the bylaws and make sure we are in compliance to current bylaws. Propose changes as needed.

Treasury Committee

- Define and propose to the club any changes to dues and membership benefits leading up to the new fiscal year
- Take opportunities to formally voice and discuss opinions on where membership fees should be spent (formal budget guidance)
- Review membership fee costs and exemptions (example board paid dues this year despite exemption to help with costs)
- Review how we handle members who are not current in payment per bylaws and propose any needed changes to this process for formal vote

The background is a solid dark gray. Centered in the background is a large, faint, light-gray graphic. It features a stylized Guy Fawkes mask at the top, with its eyes closed. Below the mask, two tools, resembling pickaxe heads or shovels, are crossed in an 'X' shape. The tools have a grid-like pattern on their heads.
